Prayer for our Men and Women in Military Service

O Prince of Peace, we humbly ask for Your protection for all our men and women in military service. Give them unflinching courage to defend with honor, dignity, and devotion the rights of all who are imperiled by injustice and evil. Guard our churches, our homes, our schools, our hospitals, our factories, our buildings and all those within from harm and peril. Protect our land and its peoples from enemies within and without. Grant an early peace with victory founded upon justice. Instill in the hearts and minds of men and women everywhere a firm purpose to live forever in peace and good will toward all. Amen.

Defending Our Religious Liberty Feb. 5, 2017

Let us pray that as the new administration repeals the health care mandate that it not only restore the Church's First Amendment right to religious freedom, but also makes coverage accessible to all Americans.

Defending Our Religious Liberty Feb. 12, 2017

Pope Francis has said: "Religion [cannot] be relegated to the inner sanctum of personal life, without influence on societal and national life (*Evangelii Gaudium*, 183). As our leaders work to alter the health care mandate, may they keep the common good of all Americans in the forefront of their minds.

Hurricane Matthew devastated southwestern Haiti. The city of Jeremie and surrounding villages were at the storm's epicenter, and 80% of buildings and 90% of crops were destroyed. Over 1,000 lives were lost. Desperate

families continue to face homelessness, hunger, and disease.

Since the hurricane the Haitian Health Foundation has been working non-stop to collect food, medicine, and building supplies to ship to Haiti, gather the latest information from Jeremie, respond to donor inquiries and fundraise.

HHF has recently been able to access many of the mountain villages under their care; in many cases HHF is the only agency to reach these rural villages.

HHF continues to work to access more remote locations, which is difficult as flooding, mudslides, and debris still block the roads. This has been made worse by the rain that continued daily since the hurricane struck. Cholera is a growing threat, as the number of cases rise, and other medical conditions – malnutrition, pneumonia, and intestinal problems like diarrhea –are widespread among vulnerable children and pregnant women.

This year we will again work to raise monies for goats for Haiti. The cost for one goat is \$150.00. Each goat given is pregnant. As the people raise their goats, they are provided with milk, meat, and a source of income through the sale of goats as the herds become larger. Our CCD will be able to name the goats. When the goats are presented to the selected families, a picture is taken and sent back to us.

Each class will have a collection jar and one will also be near the giving basket in Church. This project will continue thru mid-May.
